If something happens to us

This isn't legal paperwork. It's so the people who love you know what you'd want, without having to guess.

Who would step in

What we'd want for the kids

Short answers are fine. The point is that someone knows.

Where they'd live

School

Faith or traditions

The people we'd want in their lives

What we'd want them to know about us

PETITE HOME CO.

Where things are

Now tell the person. A plan nobody knows about isn't a plan.

The app keeps this with the rest of the Family Vault and shares it with the guardian, read-only. petitehome.co
