PETITE HOME CO.

The first year

These are the CDC's milestone checklists, the ones your pediatrician uses. Most babies reach them on their own schedule. Tick what you see, and bring the page to each well-child visit.

2 months

- [ ] Calms down when spoken to or picked up
- [ ] Looks at your face
- [ ] Smiles when you talk or smile at them
- [ ] Makes sounds other than crying
- [ ] Reacts to loud sounds
- [ ] Watches you as you move
- [ ] Holds head up when on tummy
- [ ] Moves both arms and both legs
- [ ] Opens hands briefly

If your baby is missing milestones, or loses skills they had, talk to the pediatrician. Acting early matters. Source: CDC 'Learn the Signs. Act Early.'

The app keeps each child's doctor, sizes and well-child visits, and reminds you around the birthday. petitehome.co
