The house, on a rhythm

Pick the ones that fit. Either of you can check one off.

Every day

- [ ] Plan dinner
  Ten seconds at 3 pm beats the 6 pm scramble.
- [ ] Ten-minute tidy
  A timer, the whole family, one room.

Every week

- [ ] Plan the week together
  Sunday evening. Calendars open, five minutes.
- [ ] Grocery run
  Saturday. From the list, not from memory.

Every month

- [ ] Look at what's coming due
  Passports, registrations, renewals.
- [ ] Check car seat straps and fit
  Kids grow. Straps at or below the shoulders rear-facing, at or above forward-facing.

A few times a year

- [ ] Change the furnace filter
  Every 3 months.
- [ ] Replace smoke detector batteries
  Every 6 months.
- [ ] Flush the water heater
  Every 6 months.

Every year

- [ ] Renew car registration
- [ ] Review insurance coverage
  Life, home, auto, health. One sitting.
- [ ] Each child's well-child visit
  Around the birthday.
